DONATIONS WELCOMED ON THE DAY

PROUDLY SUPPORTING: FREEWHEELERS EVS (AKA THE 'BLOOD BIKERS'), CALNE FOOD BANK AND PAWS PET FOOD BANK.

*Welcome to the Calne Bike Meet 2026 –
26 years of celebrating the motorcycling community.*

Calne Bike Meet is known across the continent and beyond as the biggest, free, one-day gathering of motorbikes and motorcyclists in Europe, drawing visitors locally, nationally and internationally.

Whether you ride, used to ride, aspire to ride, support someone who rides, are a motorcycle enthusiast, or just enjoy a good day out with fun and entertainment to boot, Calne Bike Meet welcomes you! By being here, you are helping to keep our amazing little town (and big event) on the map.

It is often said that necessity is the agent of change, and as we proudly enter our 26th year, the Calne Bike Meet Committee has seen many changes in the past twelve months. From the retirement of several seasoned Committee members to welcoming new faces, to a shift in the level and nature of support offered by Calne Town Council and Wiltshire Council, we are approaching this year's event with renewed commitment and a fresh energy, as well as big plans for the future!

The Calne Bike Meet Committee has attracted many dedicated and enthusiastic new members this year, and we have been working to develop our positive relationship with representatives from Calne Town Council. We would like to recognise the time, advice and skills with which Sam Pearce-Kearney and Gus Urquhart-Nicholls have helped us to make (tough, but

informed!) decisions around event funding and infrastructure this year.

We're also sending a big Calne 'shout out' to the local companies which help to provide vital services for the day, such as Swindon-based Platinum Security, who help us deliver a safe event for all visitors, Hills Waste Management, who provide waste collection and disposal, as well as Grist Environmental, who deliver the Portaloos and ensure we can all have a... comfort break throughout the day! The cost-of-living crisis is hitting us all, yet these companies show up for us year after year, providing this essential infrastructure at preferential rates. As well as admiring the vast array of bikes both classic and modern, this year's vendors offer a cornucopia of delicious snacks to suit every taste and budget... whether you prefer to slurp some noodles, bite into a bonza burger, or eat local with a pork sausage roll. Keep the kids happy with an ice cream, or if you're craving some stronger refreshment, check out our mobile bars, or visit one of the local hostellers (once your ride is safely locked away for the evening). If it's caffeine you're after, take the weight off your feet for coffee and cake at one of Calne's numerous cafés. There's also motorcycle gear to suit everybody and every budget (be sure to look in the charity shops, which save their motorbike-related donations throughout the year), and many stalls are offering unbeatable deals for one day only, so take the opportunity to snag yourself some smart new clothing, hardware or gadgets!

Around town you will notice our beautiful set of donation boxes, handcrafted for us by Calne Men's Shed (it's not just for men!), and we would love it if they could be full to the brim by the end of the day! Every donation helps to keep Calne Bike Meet running and support our nominated charities, so if rattling change isn't your thing, please stop by our stand outside Calne Library on the High Street and treat yourself to some of our limited-edition event memorabilia, or make a card donation. If you missed out on a T-shirt, patch or badge from previous years, check out the 'vintage'

appreciate the
support of the

in bringing this

of all things
motorised on
two (-plus!)
wheels to
fruition, year

after year. It simply couldn't go ahead without
our stalwart sponsors, the volunteers who help
us to set up, marshal, and clear up, and the
attendees - that's YOU!! - who ride in, bring
family and friends, rock our merch, and support
our stallholders and food vendors. From the
bottom of our panniers... we say a massive
THANK YOU!!

Make Your M.A.R.K. Fuel for Good!

Calne Bike Meet is hugely excited (understatement!) to be invited to partner with Make Your M.A.R.K. for the first time this year. Motor Biker Acts of Random Kindness is an initiative founded by Paul Sims, who experienced firsthand how a ride out and a chat over a cuppa can boost mental health and kick start friendships. M.A.R.K.'s Bike & Brew Passport connects a network of circa 300 of the most popular independent biker cafés across much of England and Wales and has seen over 10,000 motorcyclists travelling the length and breadth of the country to collect stamps, socialise, and build community. For every 10 stamps a rider collects, they can enter an exclusive prize draw.

M.A.R.K. attained charitable status last year, has raised over £100,000 to date, and plans to expand the Passport scheme into Scotland and the Southeast of England in 2027. M.A.R.K.'s principles of Kindness, Community, Mental Health Awareness, Action Over Words and Legacy align closely with the values of the Calne community and Calne Bike Meet. visiting their website: <https://makeyourmark.co.uk/>

REMEMBERING ANDREW TUTSSEL

Calne Bike Meet Committee remembers with pride and gratitude a longstanding member of our local community, Andrew Tutssel, who sadly passed away in March this year. Andy was known for his love of dogs, motorcycle racing,

and travel, and his kindness and sense of humour will be much missed. The Committee wishes to thank Andy's family and friends for their generous donations to Calne Bike Meet, and to the Wiltshire and Bath Air Ambulance.

COMMITTEE SPOTLIGHT ON: SCOTT, MARTIN & SUE

Every year, new faces on the Calne Bike Meet Committee are welcomed by our seasoned veterans as they take on their roles. As volunteers, members of the Committee are encouraged to bring to the table – and develop – their skills and areas of expertise, and one such member who seems able to turn his hand to any task is the marvellous Scott!

Merch man Scott not only searches for the best deals for you, arranges all the printing and purchase of the goodies for our stall, bags up hundreds of T-shirts and organises them by size, but he is also responsible for the design of our 2026 artwork!

Yes, the rider on his classic bike, passing through Calne against the backdrop of the Cherhill white horse and Lansdowne Monument is Scott's handiwork. The new design features across our range of merchandise, including a limited

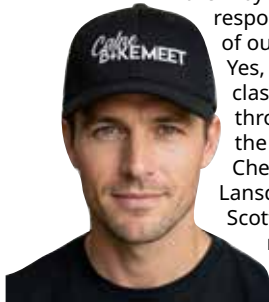

edition run of tin plate signs, perfect for adorning your workshop, man cave, or she shed!

Martin & Sue have been part of the Bike Meet for many years. Martin is in the background setting up, marshalling, cleaning up, dismantling etc. Massive shift and just invaluable.

Sue never sees the Bike Meet as she is upstairs organising the Helmet Bar. She deserves a special mention as she deals with the storage of visitor Biker gear. Helmets, leathers, boots and personal items. A full day of hard work positioned in the Town Hall.

CCP – CENTRAL CONTROL POINT

Lost child? Lost property? Need a First Aider? Someone is on hand to help. Navigate your way to our Central Control Point in the Town Hall, or ask for assistance from one of our Committee Members, who are easily recognisable in their bright yellow polo shirts! Volunteer marshals in their fluorescent vests are also located conspicuously throughout the event, and are assigned to help with parking, footfall, and directions.

Calne Bike Meet could not continue to run successfully every year without the huge band of volunteers who assist on the day – for every individual, organisation and club who

has allocated marshals to the event, we are extremely grateful! Special thanks are due to Calne Clean Up Crew who help to keep our town looking presentable and welcoming all year round and contribute so much on the day of the Meet. Thanks also to Unity Riders who support the Rideout to round off the day on a scenic route through our beautiful Wiltshire countryside.

If you would like to get involved with the fabulous festival that will be Calne Bike Meet 2027 - whether behind the scenes or on the day – we are always happy to have more hands on deck! Please email: chair@calnebikemeet.com
